

New! Now submit your claims online

Members can visit www.claimssite.com to make submissions

Filing a claim just got easier for health insurance members of Global Benefits Group and TieCare International.

Members can now simply go to www.claimssite.com and follow the simple, user-friendly form to make an online claims submission of up to \$500.

“Our members have asked us to make it quicker and easier to file and receive a claim, and we are proud to say that we have delivered,” said Andrew Thorburn, President & CEO of GBG and TieCare International.

By using the Online Claims Submission tool, you no longer need to worry about mailing or faxing scanned copies, or need to wonder if your claims actually arrived. The online process will produce an electronic receipt that will be e-mailed to you.

To simplify the online process, have your claims documents (Word, Excel or PDF) ready to upload when you visit the site. We also recommend that you ensure that claims documents, especially those that are scans, are clean and legible before uploading.

Filing a claim is THIS simple:

Step 1. Enter www.claimssite.com on your browser. Click on the link that reads: “You can now submit Health Claims online. Click Here to submit.”

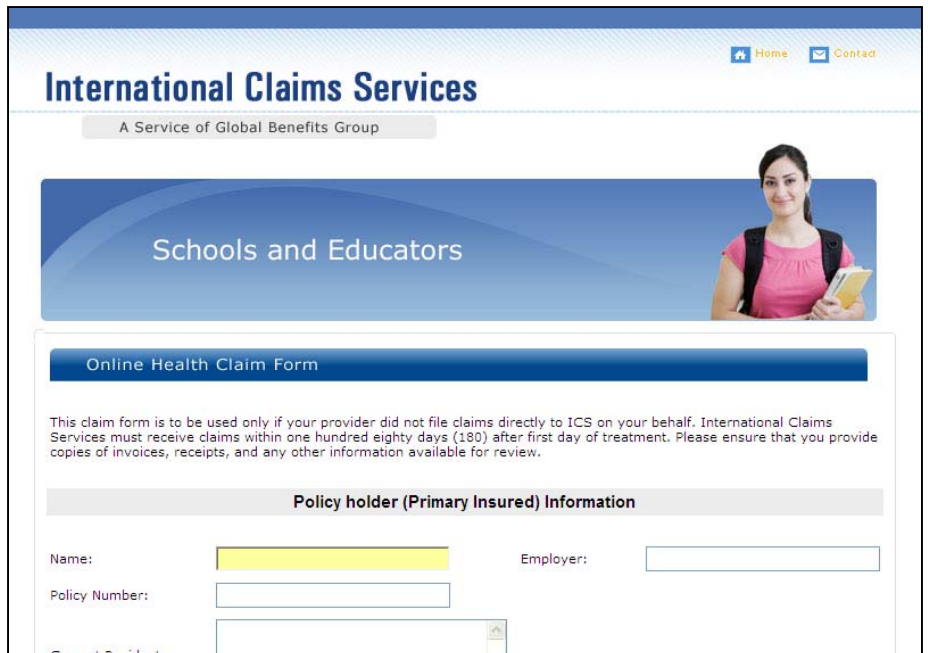

Step 2. The next screen will show the online health claim form.

Step 3. Completely fill out the form with the requested information. You will need Policy Holder information;

STEP 1: WWW.CLAIMSSITE.COM HOME PAGE

STEP 2: LANDING PAGE FOR ONLINE HEALTH CLAIM FORM

details of the claim you are filing; physician information; your choice of how you would like your claim to be reimbursed; and details on treatments and / or prescribed medications.

Step 4. Follow the prompts on the

screen and upload the attachments of your claim.

Step 5. Click “submit” button.

After Step 5, you will receive an e-mail that acknowledges receipt of your claim, plus a copy of the information that you submitted.
